POLICY 100: SCHOOL DIVISION'S VISION, MISSION, VALUES AND BELIEFS

BACKGROUND

Medicine Hat Public School Division (MHPSD) has been created to serve the educational needs of the students in our community. Community members, parents, students, and Division staff must focus the attention and resources of the educational community on what is most important for the education of students.

POLICY

The Board of Trustees believes that when a shared mission, vision, values and beliefs are used to guide and direct the actions or decisions of the partners, then fewer rules and regulations are necessary. Positive action is promoted when members of MHPSD believe that their behaviours or decisions will be supported and affirmed.
