BACKGROUND

The Board of Trustees believes that the public's trust accorded education in general, and the jurisdiction's educational services in particular, are preserved, if not enhanced, by the conduct and performance of its professional staff. The Board of Trustees, in meeting its responsibility, may need to suspend or dismiss professional staff.

POLICY

The Board expects professional staff to provide satisfactory service; seek to improve their level of performance; and conduct themselves in a manner which will encourage greater public respect for education and for the teaching profession.

3. The Board may suspend from their duties, any teacher who has been served with a notice of termination of contract or of a designation (Section 215 of the Education Act).

4. The Board may suspend a teacher from the performance of their duties where the Superintendent has reasonable grounds for believing that the teacher has been guilty of gross misconduct, neglect of duty or refusal or neglect to obey a lawful order of the Board (Section 213 of the Education Act).

Dismissal of Instructional Staff:

 - 1.3. detrimental to the safe and efficient operation of the property and/or equipment; or
 - 1.4. that the teacher has been guilty of gross misconduct, neglect of duty or refusal or neglect to obey a lawful order of the Board; or
 - 1.5. where the Superintendent has determined that the performance of a teacher is unsatisfactory;
 - 1.6. the Superintendent may recommend to the Board the termination of the contract of employment or designation.
2. Where the Superintendent intends to recommend termination, the Superintendent shall advise the teacher in writing of:
 - 2.1. the reasons;
