

**MEDICINE HAT SCHOOL DISTRICT NO. 76**

**ALCOHOL, NARCOTICS, AND DRUG USE**

**BACKGROUND**

The possession, selling or consumption of banned substances in the school setting has a negative effect on the individual user and the school learning environment.

**POLICY**

The board prohibits the possession, sale and/or use of banned substances on school property, at school-sponsored functions, or on a school bus.

**GUIDELINES**

1. Suspected criminal offences must be reported to police authorities for further investigation.
2. Referrals to support agencies will be made available to students.

**Approved & Adopted:  
September 7, 2004**
