

MEDICINE HAT SCHOOL DISTRICT NO. 76

OFF-CAMPUS EDUCATION

BACKGROUND

Off-campus education allows junior and senior high school students to investigate a variety of career opportunities. Off-campus education also allows senior high school students to gain practical experience as they apply and expand their knowledge, skills and attitudes in contexts that will assist them in making wise decisions regarding their future education, training and employment upon leaving senior high school and allow for the smooth transition from school to work and/or post-secondary institutions.

POLICY

The District supports the development of off-campus education and courses in accordance with Alberta Education's prescribed guidelines and procedures (as specified in the provincial "*Off Campus Education Handbook*").
