AND FOR THE PURPOSE OF THIS DOCUMENT WILL BE REFERRED TO AS "MHPSD" AND/OR "DIVISION"*

SECTION 800 – Facilities and Transportation

POLICY 800: FACILITIES

BACKGROUND

The Board of Trustees of Medicine Hat Public School Division recognizes that Division facilities and sites are essential dimensions of the educational program for students.

POLICY

All buildings and sites should be constructed and maintained to ensure student, employee and public safety. The standards of operation within the Division will ensure that the facilities and sites are operated in an efficient and cost-effective manner.

Education of children is the priority of the community's investment of physical facilities; however, local citizens are encouraged to utilize school facilities for other educational, recreational, business and social interests.
