

**MEDICINE HAT SCHOOL DISTRICT NO. 76**

**PARTNERSHIPS**

**BACKGROUND**

The successful operation of the district is dependent upon the effective working relationship between the district, its schools, and outside businesses, agencies and groups.

**POLICY**

The board supports the development of partnerships for the purpose of strengthening instruction and enriching the educational process for its students.

**GUIDELINES**

1. A partnership relationship must have enhanced learning opportunities for students as its primary outcome.
2. A successful partnership must have a mutually acceptable set of purposes and the means for achieving such purposes.
